

Mandilaria Venetsanos 2015

100 % Mandilaria – 60 % fermented in 225 lt barrels and 40 % in stainless steel tanks.

Deep red colour – plummy red with violet hints.

The aromas are jammy strawberry, fig and sour cherry, fragrant roses, carnation flowers and vanilla.

First impression is rich with tannins. It is a firm wine with high alcohol concentration. In the aftertaste remains the fruit.

It is recommended to use a decanter.

Matches with pork cooked with prunes, varieties of fat cheeses, spicy cheeses and prosciutto. It is a good match with lobster pasta, fish with red sauce and wine.
