

## *Nykteri Venetsanos 2015*

Assyrtiko 100 % - In the middle of the fermentation we put it to the barrel for 4 months. The barrels are all French with a capacity of 225 lt.

Bright yellow colour with golden tones.

Elegant aromas of lime and magnolias flowers.

A sense of citrus jam and mastic that co-exist harmoniously with herbal aromas of thyme, sage and mineral hints.

The presence of the barrel is noticeable mainly by the sense of vanilla.

In the palate the body is full, oily and the acidity creates balance with strong and long aftertaste. The maturation in the barrel together with fine wine lees is detectable with the aromas of wood, roasted coffee and flowers.

Ideal companion for oily fish, pasta with rich creamy sauces, ripe yellow cheese varieties and smoked eggplant dip.
